

Just Listen To What They're Saying About Our Catering!

Dear Smokin' Hot,

I wanted to thank you for the fabulous catering job you did for my father's 70th birthday celebration. All of the guests enjoyed the food, especially the beef brisket and peach cobbler.

You made every step of the process very easy for me, you provided much needed food selection suggestions, and you were very quick to respond to any and all of my questions, even on your day off! Your professionalism and focus on superior customer service put my mind at ease that everything would run smoothly. As a small business owner I appreciate the value of good customer service and you provided it in abundance.

Thanks again and I will definitely recommend your catering services to everyone I know.
